

Before at size 14

After at size 10

Before Herbalife I weighed 69kgs & wore a size 14.
I was lethargic, tired, short of breath & had Irritable Bowel Syndrome.

I joined a Weight Loss Challenge & started using Herbalife cellular nutrition products.

My results have been incredible.

I am now energised, free from Irritable Bowel Syndrome and have a new lease on life. **I now wear size 10 & the best part is I have lost 11kgs.**

THANK YOU HERBALIFE
